EXHIBIT & SUPPORT PROSPECTUS

16th World Congress on Brain Injury

Halifax Convention Centre
Halifax, Nova Scotia, Canada
May 23-26, 2027

IBIA
INTERNATIONAL BRAIN INJURY ASSOCIATION

Be a part of the largest international conference on brain injury!

Dear Colleagues,

The International Brain Injury Association (IBIA) invites you to participate in the 16th World Congress on Brain Injury to be held May 23–26, 2027, in the vibrant and historic city of Halifax, Nova Scotia, Canada.

The World Congress on Brain Injury is the premier international conference dedicated to brain injury and its consequences. Held biennially, the Congress attracts a global audience of multidisciplinary professionals committed to improving outcomes for individuals with traumatic and non-traumatic brain injury. More than 1,000 professionals attended the 2025 World Congress, and we anticipate even greater participation in 2027.

The four-day scientific program will feature internationally renowned keynote speakers, plenary lectures, invited symposia, interactive workshops, and engaging oral and poster presentations selected from submitted abstracts. The Congress serves as a dynamic forum for the exchange of cutting-edge research, emerging therapies, clinical best practices, and innovative rehabilitation strategies that are shaping the future of brain injury care worldwide.

The Congress presents an unparalleled opportunity to promote your organization to this highly specialized and influential audience. Exhibitors and supporters will enjoy direct access to leading clinicians, researchers, rehabilitation specialists, healthcare administrators, and key opinion leaders from around the world who are driving advances in brain injury research, treatment, and recovery.

By exhibiting or sponsoring the World Congress on Brain Injury, companies demonstrate their commitment to advancing innovation, education, and collaboration in the field of brain injury care and research. Participation provides a valuable platform to showcase therapies, services, and technologies that support professionals dedicated to improving patient outcomes worldwide. Sponsorship also aligns your organization with a globally respected scientific meeting focused on fostering meaningful progress in prevention, treatment, and rehabilitation for individuals affected by brain injury.

IBIA is thrilled to host the 2027 World Congress in beautiful Halifax. Easily accessible from North America, Europe, and the Australasia regions, Halifax offers delegates a memorable combination of rich history, stunning coastal scenery, outstanding dining, vibrant culture, and warm Maritime hospitality. From its renowned waterfront to its world-class museums and lively entertainment districts, Halifax provides an exceptional setting for both professional engagement and networking.

We look forward to welcoming you to Nova Scotia in May 2027 and making the 16th World Congress on Brain Injury a tremendous success!

See you in Halifax!

About the International Brain Injury Association

IBIA WORKS TO UNITE THE FIELD THROUGH GLOBAL COLLABORATION, EDUCATION, AND RESEARCH

For more than 30 years, the International Brain Injury Association has brought together clinicians, researchers, advocates, and organizations dedicated to improving outcomes for individuals affected by brain injury worldwide.

Founded in 1993, the International Brain Injury Association (IBIA) is a global multidisciplinary organization dedicated to improving the lives of individuals affected by brain injury through research, education, advocacy, and collaboration.

IBIA brings together healthcare professionals, researchers, clinicians, advocates, caregivers, and organizations from around the world who share a common goal: advancing the understanding, treatment, and rehabilitation of traumatic and non-traumatic brain injury. As the organizer of the biennial World Congress on Brain Injury—the largest international meeting focused exclusively on brain injury—IBIA provides a platform for sharing scientific discoveries, promoting best practices, fostering professional connections, and supporting innovation in patient care.

Today, IBIA continues to serve as a leading international voice in brain injury, supporting educational initiatives, professional development, scientific exchange, and global partnerships that advance brain injury research and improve outcomes for individuals and families worldwide.

WORKING TOGETHER TO ADVANCE BRAIN INJURY CARE WORLDWIDE

IBIA is proud to collaborate with its affiliated organizations and sections, each bringing unique expertise, perspectives, and leadership to important areas of brain injury research, rehabilitation, advocacy, and education.

Together, these partnerships strengthen our shared commitment to improving outcomes for individuals living with brain injury around the world.

About the World Congress

THE SEMINAL CONFERENCE FOR BRAIN INJURY PROFESSIONALS

The IBIA World Congress is the largest gathering of international professionals working in the field of brain injury. Held every two years, delegates are comprised of rehabilitation physicians, psychiatrists, psychologists, neurosurgeons, speech pathologists, occupational therapists, physiotherapists, social workers, nurses, case managers, advocates, legal professionals and all those dedicated to advancing research and treatment for patients with brain injury.

Over 1000 international delegates attended the Congress when it was last held in 2025, and we expect the 2027 Congress in Halifax to be larger still. The Congress will feature platform presentations, workshops and panel discussions from a faculty of over 120 internationally recognized speakers as well as 200 oral presentations and over 600 poster presentations from submitted peer reviewed abstracts. Recent Congresses have featured presentations from luminaries in the field of brain injury, including Vicki Anderson, David Arciniegas, Erin Bigler, Joseph Giacino, Steven Laureys, Andrew Maas, Geoffrey Manley, Michael McCrea, Adrian Owen, Jennie Ponsford, Roberto Rodriguez, Enrique Noe, Nicholas Schiff, Jonathan Silver, John Whyte, Ross Zafonte, and Nathan Zasler just to name a few.

The aim of the World Congress on Brain Injury is to provide an opportunity for establishing collegial relationships with international professionals focused on the science of brain injury and/or the care and treatment of persons with acquired brain injury. State-of-the-art research will be presented on assessment, treatment, and international priorities in the field of brain injury research. Overall, the Congress seeks to provide didactic opportunities for clinicians interested in advancing their knowledge in brain injury science, medicine and care.

DIRECT ACCESS TO KEY DECISION MAKERS

In addition to its extensive scientific and educational program, the IBIA World Congress on Brain Injury provides an unparalleled platform for engagement with the international brain injury community. The Congress brings together leading researchers, clinicians, rehabilitation professionals, healthcare administrators, advocates, and decision-makers from around the world, creating a dynamic environment for the exchange of ideas and the development of new collaborations. Through formal networking events, industry-supported educational activities, poster sessions, exhibits, and social functions, participants have numerous opportunities to connect with colleagues, explore emerging innovations, and establish partnerships that advance research, clinical care, and rehabilitation outcomes. For sponsors and exhibitors, the Congress offers direct access to a highly engaged, multidisciplinary audience while supporting the dissemination of scientific knowledge and the continued advancement of brain injury prevention, treatment, and recovery worldwide.

ABOUT THE CONGRESS LOCATION

The 16th World Congress on Brain Injury will take place in the culturally vibrant city of Halifax in Nova Scotia, Canada, over the dates of May 23-26, 2027.

Easily accessible from North America, Europe, and Australasia, Halifax offers delegates a memorable combination of rich history, stunning coastal scenery, outstanding dining, vibrant culture, and warm Maritime hospitality. From its renowned waterfront to its world-class museums and lively entertainment districts, Halifax provides an exceptional setting for both professional engagement and networking.

Additional Congress Support Opportunities

The following opportunities are available only to Platinum, Gold, Silver and Bronze Level Congress Supporters.
Please see Appendix A for the Meeting Partner form. Prices are in US Dollars, but can be invoiced in other currencies.

WELCOME RECEPTION
$20,000
The Welcome Reception kicks off the Congress and hosts all meeting attendees, guests, faculty and exhibitors. This high-profile event will showcase the eclectic nature of our host city, Halifax!

INTERNET ACCESS
$15,000
Always in demand, meeting attendees will greatly appreciate wireless internet access in the Congress area. The supporter will be recognized throughout the meeting in signage and in electronic communications.

TRAINEE REGISTRATIONS
$10,000
Show your support for the next generation of brain injury professionals. Supporter name will be highlighted on all trainee badges.

EARLY CAREER RECEPTION
$10,000
This reception provides an excellent opportunity to encourage and nurture the next generation of brain injury professionals by supporting this special mentoring and educational event specifically for young investigators.

REUSEABLE WATER BOTTLES
$10,000
The supporter logo or name will be printed on metal water bottles made from sustainable materials which will be enjoyed well after the Congress concludes.

REGISTRATION BAGS
$7,500
In this high-profile opportunity, the supporter logo or name will be printed on the registration bags provided to every attendee.

WELLNESS LOUNGE SUPPORTER
$5,000
Wellness Lounge will receive a branded space inside the exhibit hall. Company logo will be featured on scrolling slides during sessions. Congress attendees will appreciate your support of giving them a quiet space to recharge.

VIRTUAL PROGRAM
$5,000
Attendees will use this helpful resource throughout the Congress. Supporter logo will be featured throughout the virtual program.

NECK LANYARDS
$5,000
Supporter logo or name will be printed on all name badge neck lanyards provided to each attendee.

HOSPITALITY SUITE
$5,000 EACH
Supporter will host their guests throughout the Congress in a private room. Support includes your branding of the entry to the hospitality suite and acknowledgement on signage outside the suite.

POSTER SESSIONS
$5,000 EACH
Over 600 posters will be presented for viewing during the five poster sessions held during the Congress. The supporter will be recognized throughout these informal, educational events.

REFRESHMENT BREAKS
$5,000 EACH
Delegates will be appreciative of a refreshment break during the day. The sponsors logo and name will be featured prominantly during the break and throughout the Congress.

Independently Sponsored Satellites

OVERVIEW

In partnership with the World Congress, a company may compose its own branded symposium, workshop or demonstration during designated 50 to 70 mminute time slots. These Independently Sponsored Satellites (ISS) will be promoted in all official IBIA printed and web-based materials. Longer time slots may be negotiated directly with IBIA.

The IBIA World Congress offers ISS sponsors an unequaled opportunity to promote their company, product or service to this specialized, multidisciplinary group of healthcare professionals.

COST

Each ISS slot may be reserved for a negotiated rate depending on the duration of the ISS. Discounts on ISS may be considered as part of an overall support package. Contact the IBIA administrative office for details: info@internationalbrain.org, or call +713 526-6900.

SCHEDULING & LOCATION

ISS may not conflict with IBIA scientific program activities or organized events. While exact times are subject to change pending the final educational program, the following dates/times have been designated for ISS:

Sunday, May 23, 2027

5:00 - 6:30pm (Evening)

Monday, May 24, 2027

11:30 - 12:30pm (Lunch)

7:15 - 8:45pm (Evening)

Tuesday, May 25, 2027

12:15 - 1:15pm (Lunch)

6:00 - 7:30pm (Evening)

Wednesday, May 26, 2027

11:50 - 12:50pm (Lunch)

The application contained in this prospectus must be completed and submitted to IBIA (see Appendix C). Applications are reviewed by members of the IBIA scientific committee and notification of acceptance or denial will be provided within two weeks of submission.

Exhibit Booth Only

Exhibit booths (8x10') are available starting at $3,000 USD. Space will be assigned on a first-come, first-served basis. An Exhibit booth includes a 10x8 foot piped and draped exhibit space with a 6ft x 18 inch skirted table, one chair and one complimentary exhibitor badge. Exhibits will be open on all days of the main Congress, with set up taking place on Saturday and teardown taking place on the last day of the Congress after the morning break. Exhibits will be located in the same space as the Posters and food areas with education sessions nearby. An exhibit will give your company excellent exposure to Congress attendees. Additional equipment and services, including AV, internet access, telephone, etc., can be obtained at the cost of the exhibitor. All information regarding the installation and removal of the exhibits will be sent in due time to those companies registered for the Congress.

Special Onsite Branding

Escalator Branding

Put your brand front and center with high-visibility escalator decals placed along the main route attendees will use to access meeting spaces at the Halifax Convention Centre. This prominent placement offers repeated exposure throughout the congress and keeps your message in constant view. Pricing starts at $700 USD for a 20" x 20" decal, with the option to upgrade to a larger 20" x 40" decal for an additional $200 USD.

Pilar Branding

Capture attendee attention throughout the Halifax Convention Centre's main meeting areas with pillar branding in a 2' x 2' decal space. Positioned where participants naturally pass between sessions, this opportunity provides strong visibility and repeated impressions. It is also an effective alternative to traditional bag inserts, allowing sponsors to feature a QR code that connects attendees directly to key company literature, resources, and information. Pricing: $825 USD each.

Lavatory Mirror Decals

Make a memorable impression in an unexpected setting with lavatory mirror decals, available for $500 USD each. This unique branding opportunity offers sponsors a creative way to reach attendees during natural breaks in the congress experience. Pricing: $500 USD each.
